

**CLASS REGISTRATION FOR NEW ACADEMIC YEAR 2027
(FOR CURRENT PRIMARY 4 STUDENTS OF MATH MAVENS LEARNING CENTRE)**

Dear Parents,

We are starting class registration for year 2027. I am glad to inform that your child is offered **PRIORITY** in registration for our 2027 classes.

Should you choose to continue with us, please complete the following steps:

- 1) Log in to www.preregistration.mathmavens.com using your child's ID and password to select your preferred class. We will hold your selected class (subject to availability and suitability) for up to 3 days.
- 2) Once you have received a confirmation message on the class allocation, pay a 4-lesson non-refundable prepayment of fees for P5 2027 classes (**\$479.60 inclusive of GST at 9%**) to secure the place. A prepayment receipt will be issued once the payment is received. This prepayment together with any eligible sibling discount will be net off from the 2027 Quarter 1 fees.

Please note that we will be opening our vacancies to the public from **29 August 2026, 12pm** onwards.

Registration is based on a first come first served basis. Your child will be placed in a class based on your child's learning needs and your preferred choice of timing, when possible. Do also note that the **Primary 5 cohort in 2026 will be promoted en bloc with their respective teachers to P6 in 2027 at the same timeslot.**
