

**CLASS REGISTRATION FOR NEW ACADEMIC YEAR 2027
(FOR CURRENT PRIMARY 5 STUDENTS OF MATH MAVENS LEARNING CENTRE)**

Dear Parents,

We are starting class registration for year 2027. I am glad to inform that your child is offered **PRIORITY** in registration for our 2027 classes.

For our current 2026 Primary 5 students, they will be promoted en bloc with their respective teachers. All classes will remain in the same timeslots.

Should you choose to continue with us, please complete the following steps:

- 3) Reply us with your **confirmation** via the **Pre-registration portal** so that we can hold your child's place for you (for up to 1 week).
- 4) Pay a 4-lesson non-refundable prepayment of fees for P6 2027 classes **(\$501.40 inclusive of GST at 9%)** to secure the place. A prepayment receipt will be issued once the payment is received. This prepayment together with any eligible sibling discount will be net off from the 2027 Quarter 1 fees.

Please note that we will be opening our vacancies to all new students and current students who are requesting for a change in timing from **29 August 2026, 12pm** onwards.

Math Mavens will be closing our enrolment for P6 2027 before end of November 2025. Our focus is always to help our current students achieve their potential. Should you know of any child who may benefit from our programme, we appreciate your kind referral as always, subjected to the availability of places.
